Introduction

We aim to provide **You** with insurance products and services that protect **You** and/or enhance **Your Pets** life. To help **Us** achieve this, it's important that **You** understand what **We** do as **Your** Insurance Agent.

Our FSG contains important information about the products and services Petplan Australasia Pty Ltd (Petplan) offers. It also explains how **We**, and **Our** representatives, may be remunerated and contains details of **Our** internal and external complaints handling procedures.

By engaging Petplan Australasia Pty Ltd to provide insurance services, **You** are, in the absence of a formal written retainer agreement, agreeing to the delivery of **Our** services and to **Our** remuneration as described in this FSG.

If **You** are buying a retail product (as defined in the Corporations Act 2001), **We** will, if and when required, also give **You** a Product Disclosure Statement. This contains information on the product and its features to assist **You** in making an informed decision about whether or not to buy it.

If **We** give **You** personal advice about a retail product, which takes into account **Your** individual objectives, financial situations or needs, **We** will, if required, also give **You** a Statement of Advice. This contains the advice **We** have given, the basis of that advice and other information about **Our** remuneration and any relevant associations or interests which may have influenced the advice provided.

This FSG is also available on **Our** website www.petplan.com.au.

Who do We act for?

As an Agent acting under a binder from the Insurer, HDI Global Specialty SE – Australia ABN 58 129 395 544 AFS License number 458776 **We** act to arrange to enter into insurance products on their behalf. Any advice given to **You** about pet insurance will be of a general nature only and will not take into account **Your** personal objectives, financial situation or needs. **You** need to determine whether this product meets **Your Pet's** needs.

How You can instruct Us

You can give **Us** instructions by using the contact details set out in this FSG.

Our products and services

As an insurance intermediary **We** are licensed to deal in and provide advice in relation to Pet Insurance and or general risk insurance products.

Under **Our** licence, amongst other things, **We** are able to:

- Arrange Pet Insurance and or General risk insurance products to help **You** protect against insurable risks;
- Collect information that insurers require from **You**;
- Where needed, provide **You** with information and advice about Pet Insurance and or General risk insurance products; and
- Assess and pay Pet Insurance Claims and where needed, assist **You** to make General insurance claims.

We will endeavour to arrange insurance that meets **Your** Pet Insurance and or **Your** General risks and needs. However, as it is **You** who best understands **Your** risks and needs **You** should always consider the appropriateness of any products **We** provide or any insurance **We** recommend to **You** before acting on **Our** recommendations. **We** also rely on **You** for the accuracy and completeness of information **You** provide to **Us**.

Your Policy documents (including policies and endorsements) contain the terms of **Your** cover, including the applicable limits, sub-limits and excesses and **Your** obligations. **You** must read these documents carefully to ensure that the cover suits **Your** needs and so **You** understand and comply with **Your** obligations under **Your Policy(ies)**. Failure to do so may result in uninsured losses.

Finally, please note that **We** cannot guarantee the availability of insurance for **Your** particular risks or the solvency of insurers.

Arranging Your insurances

While cost is always important, the quality of Pet Insurance providers cover offered by a **Policy** is equally important. Insurance that does not match **Your** needs is worthless, however cheap the premium.

As one of Australia's leading Pet Insurers, **We** have many clients with similar Pets, businesses and situations with similar risks and needs. For these, **We** design and develop Petplan products which combine good pricing and quality cover from reputable insurers.

We understand that Pet Insurance can be a complex area and not something that pet owners deal with every day. That is why **Our** employees who are involved in the sale of insurance products and services are Tier 2 qualified based on Financial Service Reform requirements. This enables them to provide **You** with meaningful advice and assistance when **You** need it.

The people who provide Our services

We provide **Our** services using Petplan employees.

However, in some cases **We** may use "Authorised Representatives" or "Mere Referrers". "Authorised Representatives" are third parties who **We** have authorised to provide **You** and **Your** Pets information to allow **Us** to be able to provide **You** with Pet Insurance.

"Mere Referrers" are other third parties who **We** have authorised to provide **You** and **Your** Pets information to allow **Us** to be able to provide **You** with Pet Insurance. They will only provide factual information and are not authorised to provide any advice.

Our Authorised Representatives and Mere Referrers are not employees and do not receive a salary. Instead they may be paid a percentage of the commission and/or other part of **Our** remuneration for the financial services they provide. This percentage may be up to 10% of Petplan's remuneration.

The Authorised Representative or Mere Referrer's employees may receive salaries, bonuses and/ or company dividends in their own business depending on the nature of their employment. Bonuses may be linked to general overall performance, including sales performance and may include all or part of the commission received by the Authorised Representative or Mere Referrer.

The Authorised Representative or Mere Referrer, and/or its associates, may also receive other financial and non-financial incentives from Petplan for arranging **Your Pet insurance Policy**. Such incentives may be dependent on a number of performance related or other factors and may include, for example, sponsorship of training events and conferences, marketing promotions and competitions.

Relationships and Associations

We often work closely with a trade or industry association in developing and distributing certain insurance products. Sometimes these associations endorse the insurance product **We** offer to their members. **We** may pay part of **Our** remuneration or an agreed referral fee to an association for their assistance or endorsement.
